RE: Training Opportunities

Bear River Health Department recognizes the value of advanced training in vehicle emissions related repairs. As long as funding is available and there is enough interest we will continue to sponsor courses in cooperation with the National Center for Automotive Science and Technology at Weber State University.

We have scheduled some training opportunities that we want to make you aware of:

**Course Name: Identification, Location, and Function of Diesel Emissions Devices – 4 hours**

Date: Wednesday, October 24, 2018 or Wednesday, November 7, 2018

Time: 6:00 PM – Food provided at 5:30 PM

Location: Bear River Health Department, 85 E 1800 N North Logan

**Course Name: Variable Valve Timing/Direct Injection – 4 hours**

Date: Wednesday, November 28, 2018

Time: 6:00 PM – Food provided at 5:30 PM

Location: Bear River Health Department, 85 E 1800 N North Logan

**Course Name: OBD II Readiness: Purpose, Operation & Use in Repair Verification – 4 hours**

Date: Thursday, November 29, 2018

Time: 6:00 PM – Food provided at 5:30 PM

Location: Bear River Health Department, 85 E 1800 N North Logan

**Course Name: Vehicle Communication and Multiplexing – 4 hours**

Date: Wednesday, December 12, 2018

Time: 6:00 PM – Food provided at 5:30 PM

Location: Bear River Health Department, 85 E 1800 N North Logan

Please call 792-6579 to register for any of these courses. As a reminder, stations participating in the repair assistance program have been requested to support these classes.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Greer", written over a white background.

Joshua Greer, LEHS  
Air Quality Program Manager
